

COMMERCIAL TERMS OF SERVICE

In order to provide our customers with the best quality of service, we ask you to take a moment to review the following Terms of Service. It is the customer's responsibility to be familiar with our service guidelines throughout our service agreement. Please contact us with any questions.

ROLL-OFFS

County Waste Service offers a 22 cubic yard roll-off with dual rear access doors. Dimensions are 14' L x 7' W x 6' H.

Price of service may vary depending on location and / or type of waste to be disposed.

Roll-offs are the property of County Waste Service, however the customer assumes full responsibility of the containers while on their location. Container(s) are subject to replacement charges if they are lost, stolen or damaged beyond normal wear and tear. County Waste Service reserves the right to determine normal wear and tear condition.

DELIVERY AND COLLECTION

Rental charges commence when the roll-off is delivered to site. County Waste will place the unit in a location that offers unencumbered access. We will endeavor to provide collection and removal of the roll-off from the site within 24 hours of notice.

For normal service, we cannot accept dead animals, asbestos, hydrocarbon based fluids, tires, propane tanks or other hazardous materials. However, we can accommodate these types of materials under our Class-1 material disposal plan options.

All loaded containers must be able to be legally transported. Debris must be within the box, with nothing protruding past the outside edges. Over filled containers cannot be accepted. Any box that is over filled will be subject to off-loading. Contents must not exceed 10,000lbs. Absolutely no dirt, concrete, paint or brick.
